

La Grange des Copains Red 2022

Blending :

35 % Grenache, 30 % Carignan
28 % Syrah, 7 % Cinsault

This red wine is produced with four different grappes. Each one brings typical flavors and tastes to create a complex wine. In the nose, we have a nice flavor of cherry, pepper and pomegranate. The tannins are soft and well matured. Very nice with artichoke pie and sheep's cheese. To drink now to 2027.
